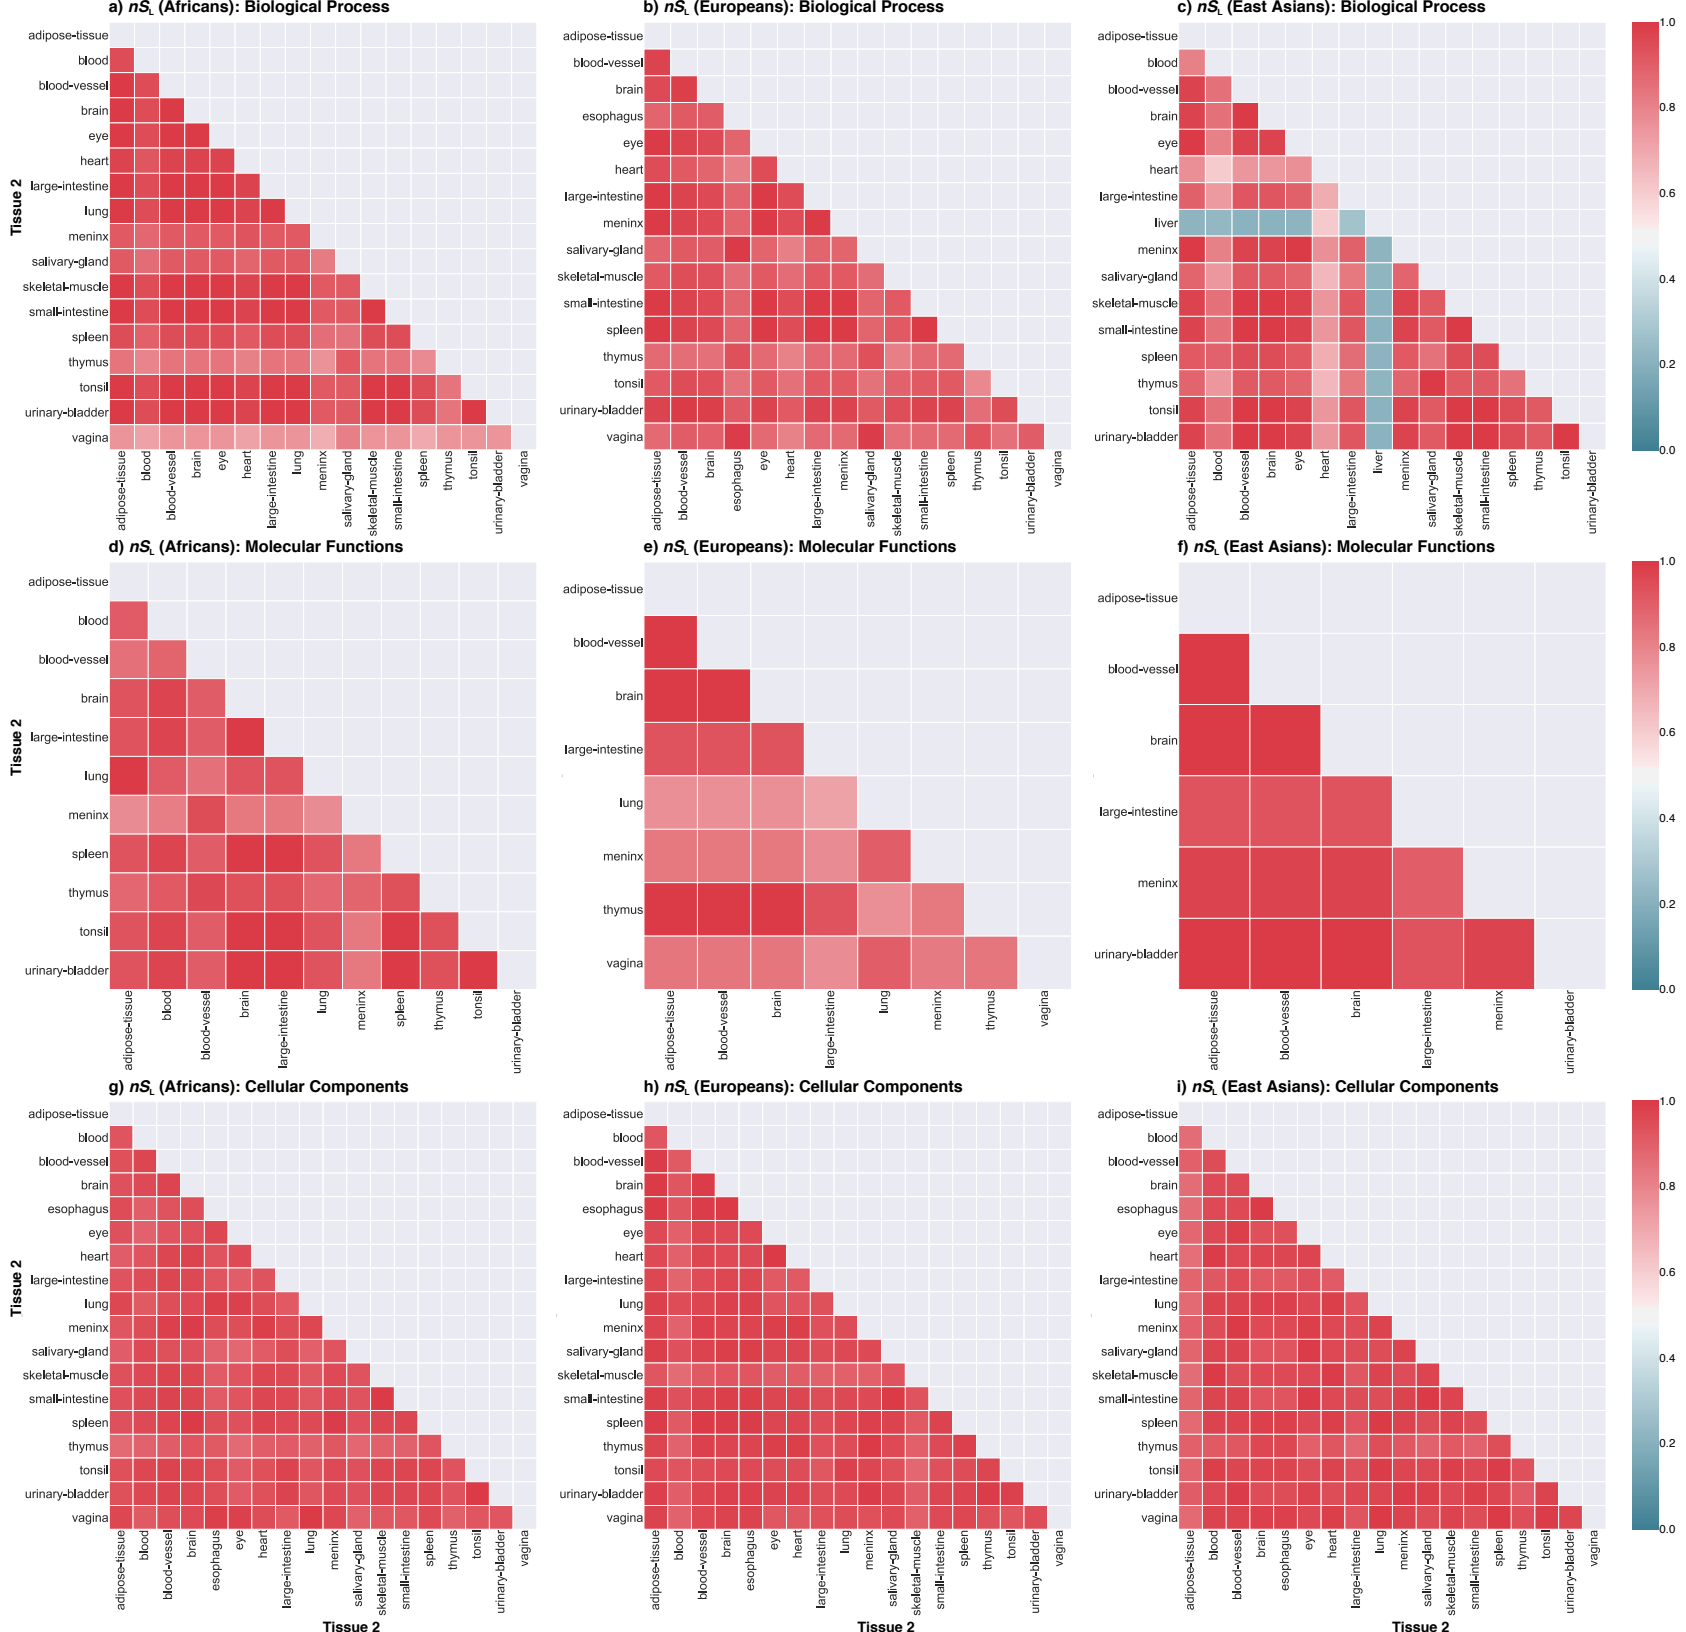
Figure S2



a) nS_L (Africans): Biological Process
b) nS_L (Europeans): Biological Process
c) nS_L (East Asians): Biological Process
d) nS_L (Africans): Molecular Functions
e) nS_L (Europeans): Molecular Functions
f) nS_L (East Asians): Molecular Functions
g) nS_L (Africans): Cellular Components
h) nS_L (Europeans): Cellular Components
i) nS_L (East Asians): Cellular Components
Tissue 2
adipose-tissue
blood
blood-vessel
brain
esophagus
eye
heart
large-intestine
liver
lung
meninx
salivary-gland
skeletal-muscle
small-intestine
spleen
thymus
tonsil
urinary-bladder
vagina
