

(red/blue version for the color-impaired)

ILs clustered by abs. Pearson corr. of each trait's p-value for comparison to M82

Heatmap: ILs with significant p-value in trait comparison to M82
ILs clustered by abs. Pearson corr. of p-value

(red/blue version for the color-impaired)

p-value threshold, red: mean < M82 mean, blugrn: mean > M82 mean
