

Fig S1.

[illegible]

Fig S2

Populations of multiple generations of *35S:TERT* line 7 plants, from G10/T6 through G16/T12. No obvious growth or developmental difference is observed with progressive generations at the population level.

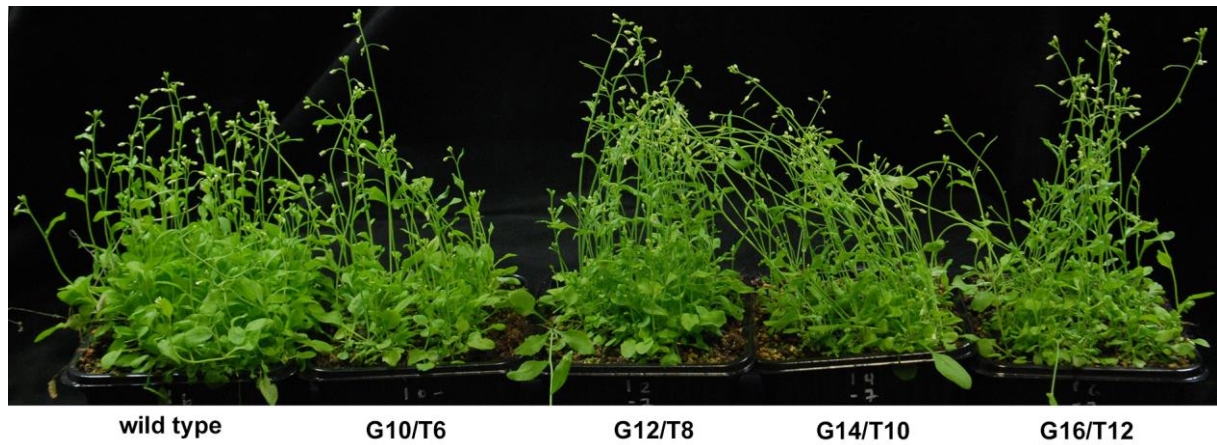

Fig S3

Schematic displaying the generation of *tert ku70 35S:TERT* lines.

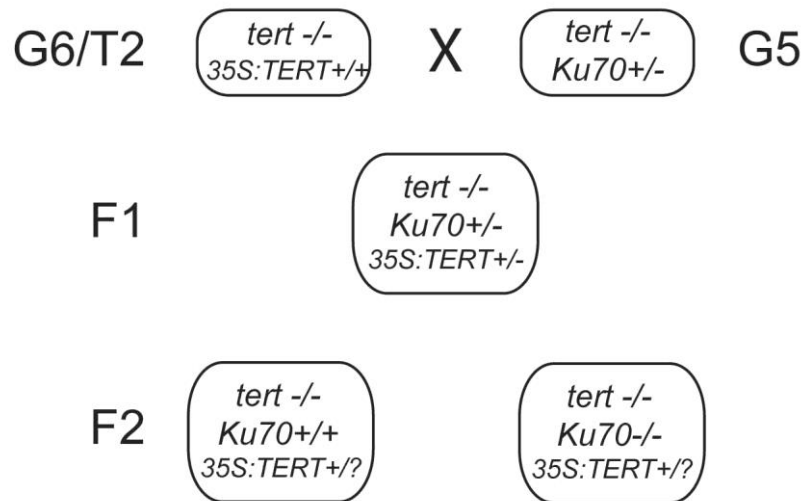

Fig S4

Schematic displaying the generation of the *tert pot1a* 35S:*TERT* lines.
